

Project Name: Hostel_Management_System
Module Name: Day 1
Release version:

TestCase_Id	Test Scenario
TC_001	Verify the login page using valid admin credentials
TC_002	Verify the login page using valid admin credentials
TC_003	Verify the login page using valid admin credentials

Test Designed By: Ragaveena A S
Test Designed Date: 5/26/2023
Test Executed By: Ragaveena A S
Test Executed Date: 5/26/2023

Test Steps

- 1.Launch the browser
- 2.Open the url:https://studenthostel.neohire.io/
- 3.Click on the Admin Login option
- 4.Enter the valid username and password
- 5.Click Login button

- 1.Launch the browser
- 2.Open the url:https://studenthostel.neohire.io/
- 3.Click on the Admin Login option
- 4.Enter the invalid username and password
- 5.Click Login button

- 1.Launch the browser
- 2.Open the url:https://studenthostel.neohire.io/
- 3.Click on the Admin Login option
- 4.Enter the valid username and invalid password
- 5.Click Login button

Test Data

Username:admin
Password:Test@1234

Username:admin12
Password:Test@1234

Username: admin
Password:Test@1234

Expected Result	Actual Result	Status
It should navigate to the dashboard page	As Expected	PASS
It should display "Invalid Details" pop up message	As Expected	PASS
It should display "Invalid Details" pop up message	As Expected	PASS

Project Name: Hostel_Management_System
Module Name: Day 1
Release version:

TestCase_Id	Test Scenario
TC_001	Verify the login page using valid admin credentials
TC_002	Verify the login page using valid admin credentials
TC_003	Verify the login page using valid admin credentials
TC_004	Verify that admin dashboard has the complete details of Courses,Room details,Students registration, Manage students options,user access logs activities liste
